VT DECT wireless series is designed to provide flexible connectivity to either deskphone, USB or both. These DECT wireless headsets also utilise noise cancelling technology and have a range of up to 150 meters and up to 8 hours talk time.

They also support Handset lifter or EHS for remote answer/end calls and they can pair up to 4 headsets for conference calls.

Headset Specification

Connects to	VT9400 for Deskphone and Softphone, VT9300 DECT USB for Softphone, VT9000 for Deskphone
